Nuno Felting
with Marilyn Mussman

Friday, February 10
8:30 am - 3 pm

Berrien RESA and the Krasl Art Center are proud to present the **2012 New Techniques for Teachers Workshop:**

Join fellow educators for this all-day workshop taking place at the Krasl Art Center. Learn the technique of nuno, or laminate felting - one of the fastest growing felting techniques used today. Participants will blend merino wool and silk to create a lightweight, highly textured scarf with beautiful results while learning how to handle and manipulate felt with ease. This workshop will require standing strength and lots of arm work. No previous felting experience is necessary. **Cost \$55**

SBCEU's Pending. All materials provided.
Bring a lunch or plan to eat downtown.
