Berrien RESA's Parent Advisory Committee seeks nominations for "Excellence in Education Award"

Berrien Springs--Berrien Regional Education Service Agency's (Berrien RESA) Special Education Parents Advisory Committee (PAC) is seeking nominations for the 2008 "Excellence in Education Awards." The award honors those persons working within a school district who have played a vital role in educating and supporting students with impairments. Eligible nominees include general/special education teachers, counselors, administrators, ancillary/support staff and school volunteers.

For more information on the award and to download a nomination form, please visit www.berrienresa.org and click on the *PAC Excellence in Education nomination form* under News and Announcements. A paper copy may be requested by calling Heidi Wertenberger at (269) 471-7725 extension 1308. Nominations must be submitted by December 18, 2008.

The Special Education Parent Advisory Committee is comprised of two representatives from each school district in Berrien County. The committee works with Berrien RESA to discuss special education issues and creates an additional link between Berrien RESA's services and the local school districts.
