### **St. Joseph High School Wins 33<sup>rd</sup> Annual Berrien RESA Science Olympiad Competition** *Students to compete at Michigan State University this spring*

**Berrien Springs-**Yesterday, St. Joseph High School students took first place in the high school division of the 33<sup>rd</sup> Annual Berrien RESA Science Olympiad Competition held at Lake Michigan College's Napier Campus. Second place went to Berrien Springs High School. In first place in the middle school division was Upton Middle School. Second place was won by Lakeshore Middle School followed by Berrien Springs Middle School in third.

The top two finishers at the high school level and the top three finishers at the middle school level now advance to the State Science Olympiad competition slated for late April at Michigan State University.
