

Permission to Invite Outside Agencies

To help prepare students for post-secondary high school life, transition services are a mandatory aspect of the IEP. Agencies may be invited to help facilitate the student's movement from school to post-school activities including: post-secondary education, vocational education, integrated employment (including supported employment), continuing and adult education, adult services, independent living or community participation.

If you check the box before the agency name, you are only giving permission to invite the agency to the IEP meeting. Your IEP invitation will provide the name of the agency(s) invited to your student's IEP. You may rescind your permission to invite an outside agency in writing at any time. If you have any questions or concerns, please contact your student's special education teacher.

Please complete the bottom section of this form and return it to the office.
